J is for Jesuit

Jesuit represents not only a school but a way of living that is exemplified by every person here. It is a community where faculty and staff and students all work together to achieve academic, physical, and moral excellence, for the present and future. During the time we are here, we will all benefit from the friends we meet and the experiences we gain.

E

E is for Education

A Jesuit education is unique. The purpose of this education is to shape the whole man and all aspects of his being. It makes him aware of his relationship to man and his world, and more importantly, of his relationship with God.

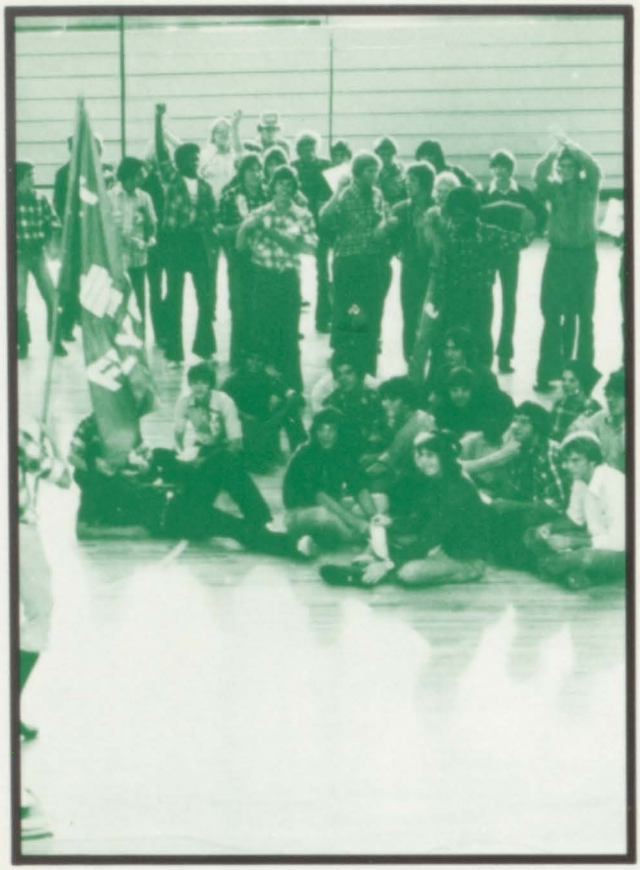

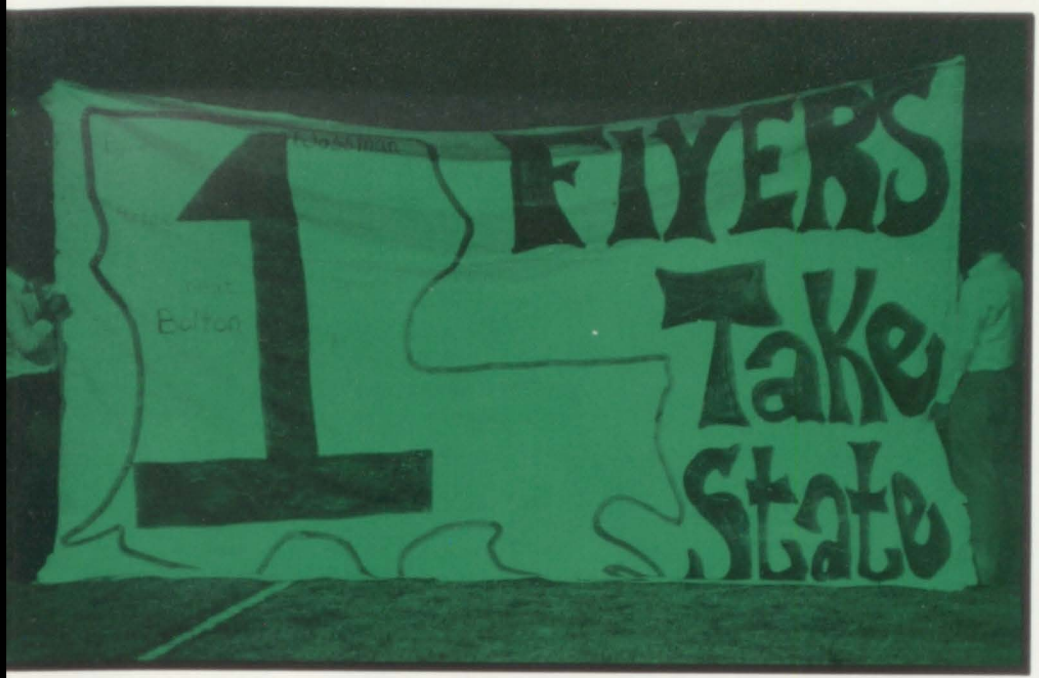

S

S is for Spirit

The true Jesuit spirit is reflected in every one of us. We show our spirit in many ways: by attending a football game, going to mass, and making up class cheers. Our spirit shows who we are and that we care.

U

U is for Unity
Unity, in the Jesuit sense of the word, signifies a great deal. It must mean the deeper commitment to a better way of life. We grope. Often, we don't know where we are going, but we go. We've got the guts to go — to go and to go beyond. And the reason we go, and the reason we make it is that we've got each other, and that makes all the difference.

I

I is for Individuality

We are all individuals, each
different from the other,
yet a part of the whole.

T

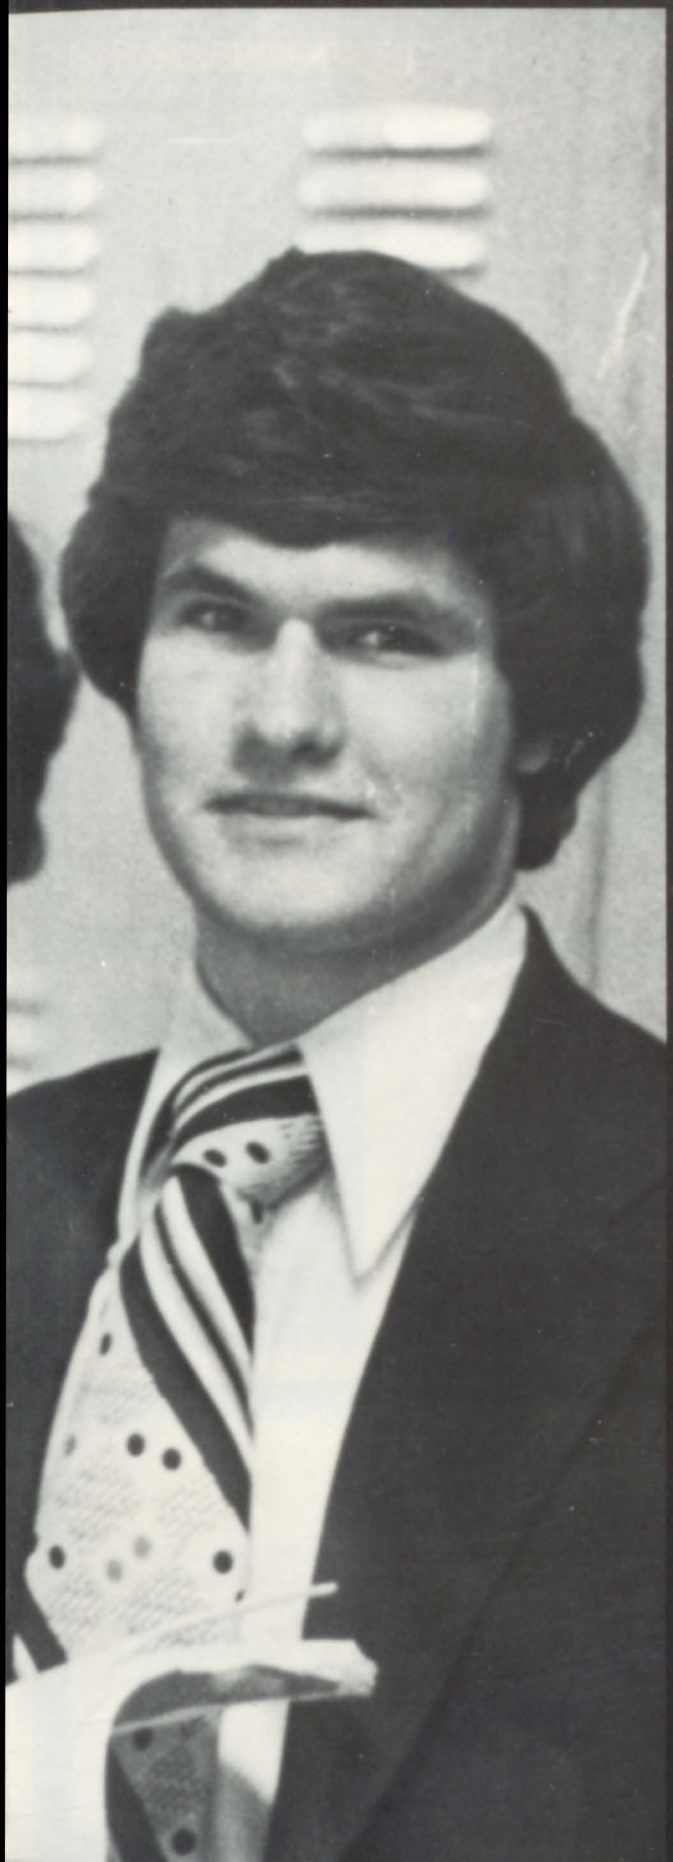

T is for Time

The time we spend here is short, but the hours, the minutes, and the seconds will all become a part of us. No matter how long we have been here or how long we stay, the memories of time passed here will remain in our minds forever.

Principal's Message

This has been a great year for Jesuit and I won't go into the various reasons now. I would just like to acknowledge the year's greatness.

It was a pleasure to see the interpretation of "Jesuit" that the yearbook editors so creatively devised. Now I would offer my own.

J is for Jesus, the reason for the very existence of our school. The great example that we would like to imitate and that we would hold up for imitation by each and every one of you.

E is for error, the error and mistakes to which we are all heir. If we admit our errors and work to eliminate them, we improve ourselves. Thus the errors and mistakes help to make us better persons.

S is for the sentiment, the human warmth and feeling that raises our lives from the boring and repetitive to the vibrant, joyous life Jesus wills for each of us.

U is for the urgency we need in life to accomplish anything.

I is for the integrity whereby our word and our very being is accepted for and as the truth. I cannot say it better than Shakespeare,
"To thine ownself be true,
And it follows as the night the day,
Thy cannot then be false to any man."

T is for the temperance we need to moderate our every thought and action except our love and devotion to Jesus.

If "Jesuit" means these things to you, your life will be a joyful, beautiful contribution to the twentieth and twenty-first centuries.

Robert H. Ernst

President's Message

Achieving successful operation of Jesuit High School is the obligation of the Jesuit High School of Shreveport Corporation. It was chartered early in 1969, and has functioned since then under valid contracts with the Jesuit (Society of Jesus) owned corporation — St. John's College of Shreveport. The college corporation owns the land, buildings and furnishings that constitute the physical plot known as Jesuit High School.

Jesuit High School of Shreveport Corporation exercises its authority through its Board of Trustees, composed of clergy and lay people, and through the principal of the school.

Teachers Give Us Their Full Support

Every Jesuit student is aware of his own need for a quality education. It is probably the most important reason for his attending Jesuit rather than another school. One fundamental ingredient which goes into this education is a faculty.

We have a faculty composed of many highly-qualified individuals. Every member is an expert in his chosen field. A great deal of time is devoted to the preparation of classroom activities. Our teachers and administration display their concern for us during, before, and after the school year by activities and special projects designed with us in mind.

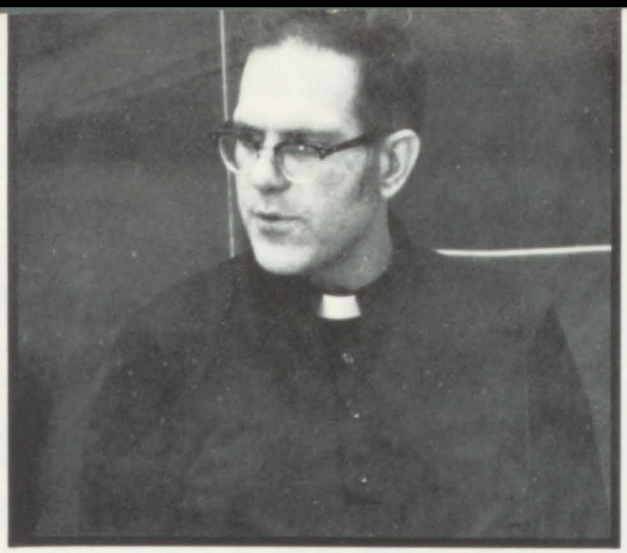

Just as a Jesuit education is unique, the students who make up Jesuit are unique. We are fortunate to have administrators who realize this. No pupil fits into a stereotype or mold. Our uniqueness is encouraged as well as respected.

The relationship between the administration and students is one of understanding and mutual respect. This makes going to class at Jesuit a most worthwhile experience.

Flight Takes Off

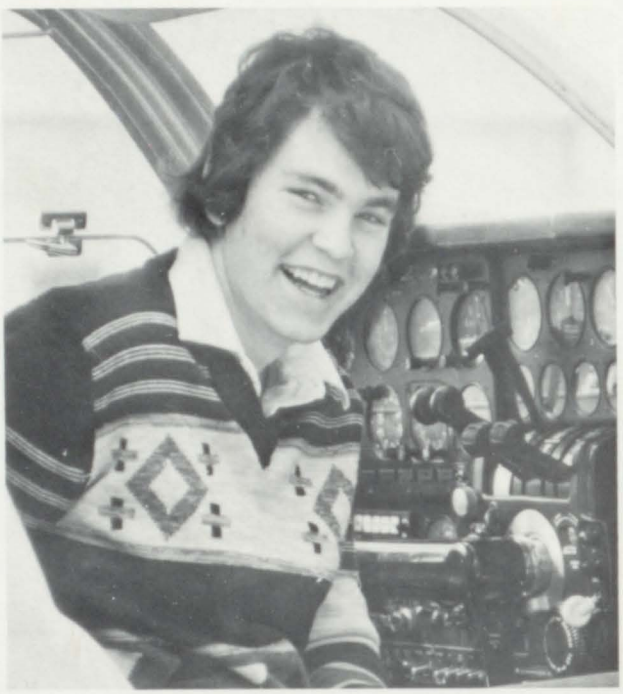

The FLIGHT staff began work on the '77 annual this summer at yearbook camp at Northeast in Monroe. Although many of the members on the staff were new, we walked away with three trophies: second place in sports section, first place in cover design, and a trophy for a superior planned yearbook.

Since yearbook camp the entire staff and our photographers have been working almost every afternoon to get the FLIGHT out. The cooperation and dedication of my staff and our advisor, Mrs. Catherine Baker, was great all year and was responsible for making this book a success.

CLC Is a Way of Life

CLC is not just a large organization of three schools but a way of life, a community made up of Jesuit, St. Vincent's, and Notre Dame. We are an active community that has learned to recognize the needs of others and to give service to help them fulfill those needs.

We not only work together as a community, but we also pray together as a community. CLC stresses the fact that God is present in every event of our daily life. CLC is not only a challenge but also a commitment. It is a spiritual commitment intended to ignite initiative, creativity, and leadership in its members.

Christian Life Community has now built a strong foundation for another successful school year.

Drama Club Has Busy Year

In order to initiate a great number of new members, the Drama Club held an acting workshop early in the year, candidates ushered at community plays, and constructed the facilities for a joint Drama Club — SGA film festival. The year culminated with the Shakespearean production of SIR JOHN FALSTAFF.

As always, the club could not have functioned without the dedication and support of Mr. Engelke and our other faculty advisors.

F.C.A. Works Together

The Fellowship of Christian Athletes is an organization of athletes working together to help each other become closer to God and to themselves.

Jesuit's F.C.A. has prospered this year thanks to the hard work of our moderator, Coach Rinaudo, and our officers: Mike McCarthy, Steve Scott, Drew Dossett, Jeff Springmeyer, and Mike Watts.

During the year we have had a special guest speaker at every meeting. There have been money-making projects such as basketball competition, car wash, a volleyball tournament, and the opening of the F.C.A. office which sold Jesuit T-shirts, hats, and similar items.

The year was topped off by sending as many of our athletes as possible to a National F.C.A. camp, an experience that will not soon by forgotten.

Flyer: Hard Working

School newspapers, like The Flyer, represent the best efforts of interested students to write and to express their views on various subjects. As editor this year, I have tried to use what experience I have to produce the best editions ever at Jesuit. There have been times when I felt that our staff was meeting this goal and times when we couldn't even get off the ground. But no matter how much we have accomplished this year, next year's issues will be even better, because the challenge of doing your best always remains, and I think this is what journalism is all about.

Key Club Opens Doors

1976-77 was an outstanding year for the Jesuit Key Club. Key Club is a school and community service organization under a charter by Key Club International. Our sponsor is the Shreveport Kiwanis Club. We thank them very much for their help and concern.

In the summer the officers and the dedicated faculty advisor, Mr. Wolcott, were hard at work writing up the first set of Jesuit Key Club by-laws.

A new attraction was the selection of eight St. Vincent's seniors as sweethearts. Homecoming was a tremendous success, along with the football program. The success of these activities was due to the hard work of the members and candidates. The new bulletin board helped the Key Club show their activities to the school through each year. This Club feels that it has established guidelines for coming years.

I wish to express my sincere thanks to Mr. Wolcott, our advisor, Sister Margaret Rose, D.C., Mrs. Bendick, Mr. Ernst, officers, members, and sweethearts.

N.F.L. Shows Dedication

This year saw the Jesuit National Forensic League rise to a level of excellence not attained in many, many years. At every speech tournament attended, Jesuit's NFL representatives placed or won and several times we advanced overall sweepstakes honors. Credit for this success can be attributed to three things: hard work, and dedication; summer preparation especially in debate; and most of all a strong moderator in Mrs. Suzanne Scherer.

At this time already we have qualified debates for both the state and national Tournament of Champions. Indeed this year the NFL was one of the most successful activities in advancing the name of Jesuit High School.

New Clubs: Math . . .

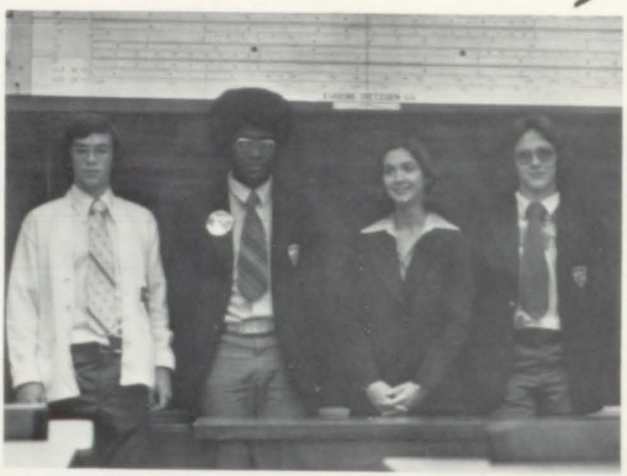

This year there is a new club at Jesuit, largely due to the efforts of Mrs. Scherer, an energetic math teacher at Jesuit. Mrs. McMurrian has now taken over as moderator since Mrs. Scherer became NFL Moderator. This club is the Jesuit Math Club.

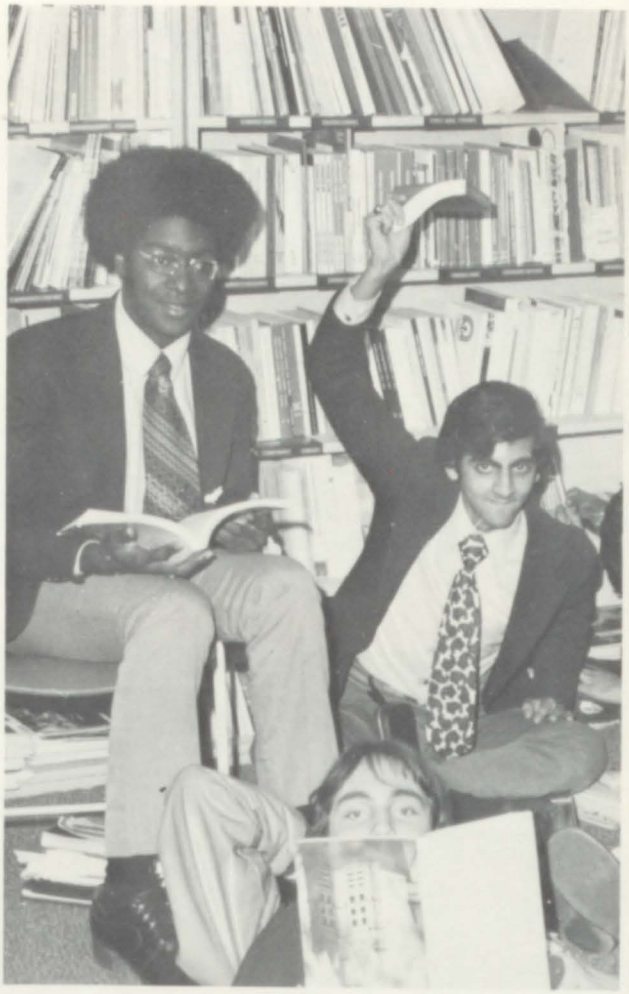

The purpose of the club is to encourage the interest of students in math-related subjects. A math tournament was held at Jesuit for seventh and eighth graders in Shreveport on January 15.

I wish to express my thanks to the other officers, the members, and our two moderators for the tremendous support and understanding throughout the year.

. . . and Spanish

One of the new clubs this year is the newly formed Jesuit Spanish Club. It consists of all Spanish students and some former ones. All these are under the leadership of Miss Nancy Bozeman and Mrs. Pilar Briggs.

The Spanish Club elected officers early in the year who went on to lead the club in Spanish-oriented activities. A party was held by the officers that we hope will become an annual event.

Along with the rest of the officers, I wish the members and our great moderators: "Buenó suerte!"

SVA Shows Support

A certain group of young ladies from St. Vincent's Academy donate their time and talent in service to the Jesuit football team. They cheered at games, erected banners, and performed during halftimes. Of course, we mean the SVA Marching Squad and Pep Squad.

Every marcher conscientiously practices during the long rehearsal sessions to perfect her performance before each game. The girls also attend summer workshops to improve and cheerleaders boost spirit by yelling along with them.

The dedication and spirit exhibited by the two squads is appreciated by every Jesuit student.

Science and Latin Clubs

The Field Biology Club is in its third year of existence. The members increased their knowledge of the great outdoors by hiking, mountain climbing, and field trips into the wilderness. One special project was a camping trip in the Arkansas Ozarks.

Under the direction of the new Latin teacher, Fr. Duffy, a new Jesuit Latin Club was formed. Although the club has yet to engineer any projects, we are looking forward to many worthwhile contributions from the club members.

Cheerleaders

Enthusiastic

Our cheerleaders devote an enormous amount of time and effort to promote spirit at Jesuit athletic contests. Unity between Jesuit and S.V.A. is encouraged by activities designed by these people. These activities include banner contests and pep rallies.

Head cheerleader was Amie Jones, a S.V.A. senior. The other senior cheerleader was Susan Philips. Junior cheerleaders were Margaret Acosta, Vikki Provenza, Katherine Smith, and Teri Spataro. For the first time since 1973, there were boy cheerleaders from Jesuit. They were seniors, Barry Simmons and Mike Tanner and juniors, Walter Chandler and Cliff Moore.

Thanks to the cheerleaders for a job well-done.

Homecoming Court Presented

One of the most exciting features of the Homecoming festivities is the selection of the court. This year's court consisted of twelve lovely St. Vincent's ladies.

Jill Ballard reigned as this year's Queen. Junior Margaret Acosta was chosen Football Sweetheart. Caroline Cunningham and Carol Brocato represented the Pep Squad and Marching Squad, respectively.

Maids from the Senior Class were Amie Jones and Susan Phillips. The Junior Class was represented by Diane Cox and Sue Welter. Acting as Sophomore Maids were Julie Cordaro and Lyn Buker while Emmie Jacobs and Liz Welter served as Freshman Maids.

We congratulate the young women who were presented as members of the Homecoming Court.

Jesuit Players Receive Recognition

At the end of a successful season, some of the people responsible are honored for their efforts. This year's football team garnered many district, city, and state honors.

Paul Cordaro, Mike Watts, Gene Mack, Grey Miller, Dick Haynie, Brian Doran, Greg Page, and Steve Scott made the 1-AAA All-District team. Cordaro was Outstanding Offensive Player and Mack, Outstanding Defensive Player.

All-City team members were Doran, Miller, Watts, Mack, Cordaro, Page, Watts, Pat Mitchell, Drew Dossett, Steve Scott, and Tom Bullock. Page was named Outstanding Defensive Player.

Jesuit had three All-Staters this year. They were Mack, Page, and Scott.

The year was also an exceptional year for Coach Anthony Catanese, as he was named All-District, All-City, and All-State Coach of the Year.

We at Jesuit are proud of our honored coach and athletes.

S.G.A. Unites

At the beinning of this year, as the President of the S.G.A. I stated, "There will not be a single person who has walked through the doors of Jesuit who will not have gotten involved in some way, shape or form with the S.G.A." I said this optimistically but I am now saying this as a fact and with great pride.

The S.G.A. felt that the students of Jesuit are exceptional and capable of excelling in anything they try. This year the S.G.A. tried to pull Jesuit together to unite, to fulfill our potential and become one school with one purpose — to get the most out of what Jesuit has to offer. And if you look back on the school year of 1976-77 you'll see that we have proven just that to you.

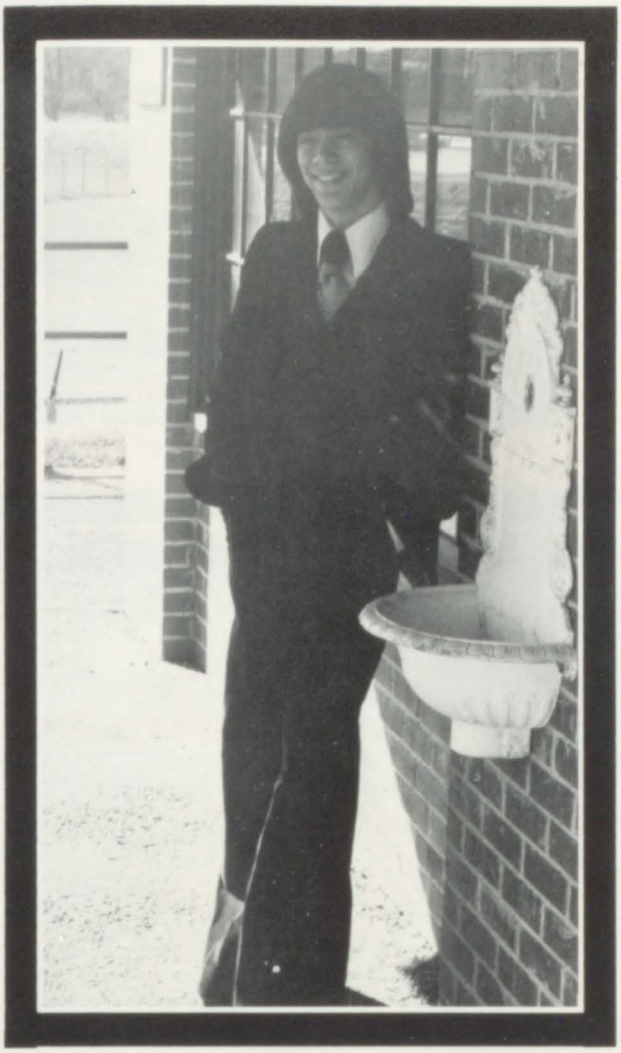

I hope that the future S.G.A. will continue in this tradition of boosting school spirit and school pride. There is nothing more rewarding than looking back honestly and stating the facts of what Jesuit did, not what Jesuit could have done.

History Repeats Itself: 1967, 1976

The 1976 football season was the greatest in Jesuit's history. For the first time since 1967 the Flyers captured the state title and ended the season with an undefeated slate. All of this was due to excellent coaching and dedication on the part of the players.

The Flyers first showed their stuff in the Jamboree, downing both Green Oaks and Northwood by scores of 14-0. The season officially began with games against tough Quad-A teams, all of which had beaten us last year. Jesuit won its first game against Airline with a score of 6-0. The next victim of the Flyers' wrath was Bossier, toppled by a score of 21-14. Southwood played a fantastic game against us, but were no match for the Flyer defense as the game ended 21-14, Jesuit. It should be noted that all three of these teams were in the Quad-A play-offs.

Homecoming was the District opener against Springhill. The Lumberjacks went under by a score of 17-0. Quad-A Green Oaks was dumped with a score of 27-0. Next the Flyers traveled to Ruston for another district game. The Bearcats could not ruin the Flyer winning streak and lost, 10-3. Northwood, another district game, was won by Jesuit, 30-0.

Another Quad-A opponent, Byrd, was totally clobbered with a 35-0 score. Jesuit faced its biggest 1-AAA competition against the Haughton Buccaneers. Although the Buccaneers gave it their best try, they were unable to score on the Big Blue, losing 21-0. The last game of the regular season against North Caddo resulted in a Jesuit win of 17-0, a 10-0 season, and the District 1-AAA championship.

Wossman was the first play-off game. Remembering the embarrassing defeat last year, the Flyers won by a score of 3-0 with a field goal by senior Steve Scott. The quarter-final game was played in Alexandria against 3-AAA champion Bolton. In spite of the fact that no. 1 runner Paul Cordaro had been injured in the previous game, Jesuit still capped a victory with a score of 23-20.

A long-awaited and important contest faced the Blue Flyers. In the semi-final match Jesuit was pitted against no. 1 ranked and last year's state champions, the Lutcher Bulldogs. Overcoming almost overwhelming odds (one of which was playing in the Lutcher stadium), the Flyers beat the Bulldogs by a score of 17-7.

Last, and definitely not least, was the final game in which Jesuit faced the Winnfield Tigers. No amount of talking and mudslinging by the Tiger coach could prevent the Flyers from winning this all-important game. Winnfield had its first shut-out of the season, 7-0, and Jesuit had the state title.

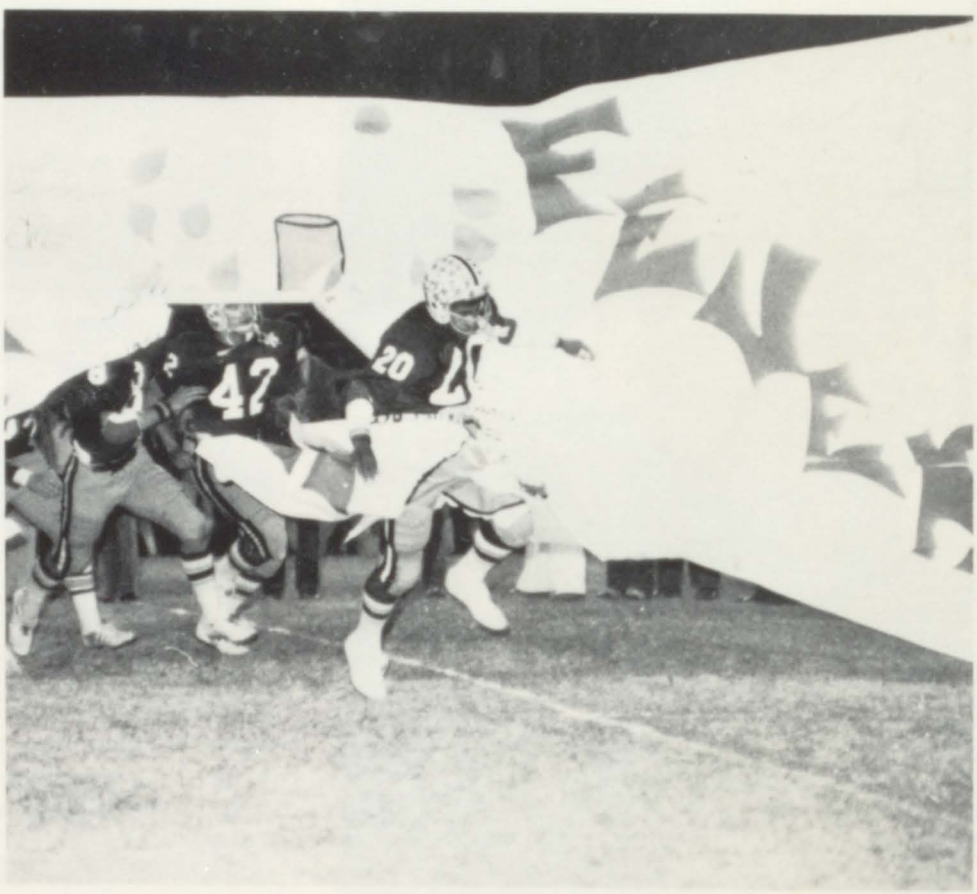

There were many outstanding players for Jesuit this season. Mike Watts, Paul Cordaro, Steve Thornton, Greg Page and Fred Johnson made their marks on offense. Outstanding defense players were Gene Mack, Brian Doran, Drew Dossett, Pat Mitchell, and Greg Page. Steve Scott gave the Flyers numerous field goals and extra point kicks, and John Marshall proved a great quarterback. But it was a team effort that made the Flyers no. 1 and gave them the coveted state trophy.

Fans Support Flyers Throughout Season

The Jesuit Flyers basketball team was under the guidance of two new coaches this year, Coach Larry Sharrah and Coach Mike Mawhinney. The cagers did not have a winning season this year, but spirit ran high as usual.

The season started with a win for the Flyers, but as the season progressed one loss followed another. The players and fans remained undaunted and kept trying. The players consistently improved and support from the fans was strong.

Coach Sharrah helped the team with its development. They practiced diligently between games and carefully planned the strategy for every upcoming game. Improvements were made and many pitfalls were overcome.

Jesuit had many fine players. Jeff Springmeyer was one of the leading scorers in district. Seniors Mike McCarthy and David Pullman were great scorers and ball-handlers. Although shorter than most players, Craig McMullen can really hustle. Jimmy Wilmore, a junior, displayed great skill on the court.

We have high hopes for next year's season. Coach Sharrah and Coach Mawhinney have some good junior players and many other hopefuls. With morale, team work, and support from the school, we will have a good season in '78.

Soccer Kicks Off

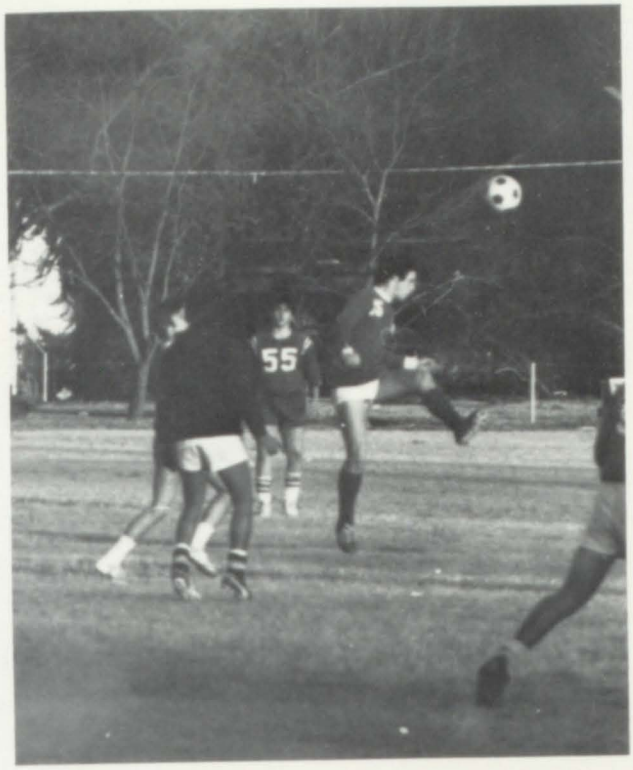

The only flaws in the club's undefeated season were lack of a coach and a dearth of opponents. In the five games that the club did play, not only did they emerge the winner, but they also did not allow any points to be scored against them. The soccer club entertains the hope of a spring season, with more high school teams participating.

S.G.A. Active

This year's Student Government Association was the most active ever. The activities started in the beginning of the year and became more involved as the year progressed.

The first activities centered around the Big Brother program. There were Big Brother dances and picnics. Following these there were cheering and banner contests during the football season. A spirit week was held in conjunction with homecoming. A chess tournament and football and basketball tournaments between technical classes were sponsored. The SGA brought guest speakers to entertain and inform the students.

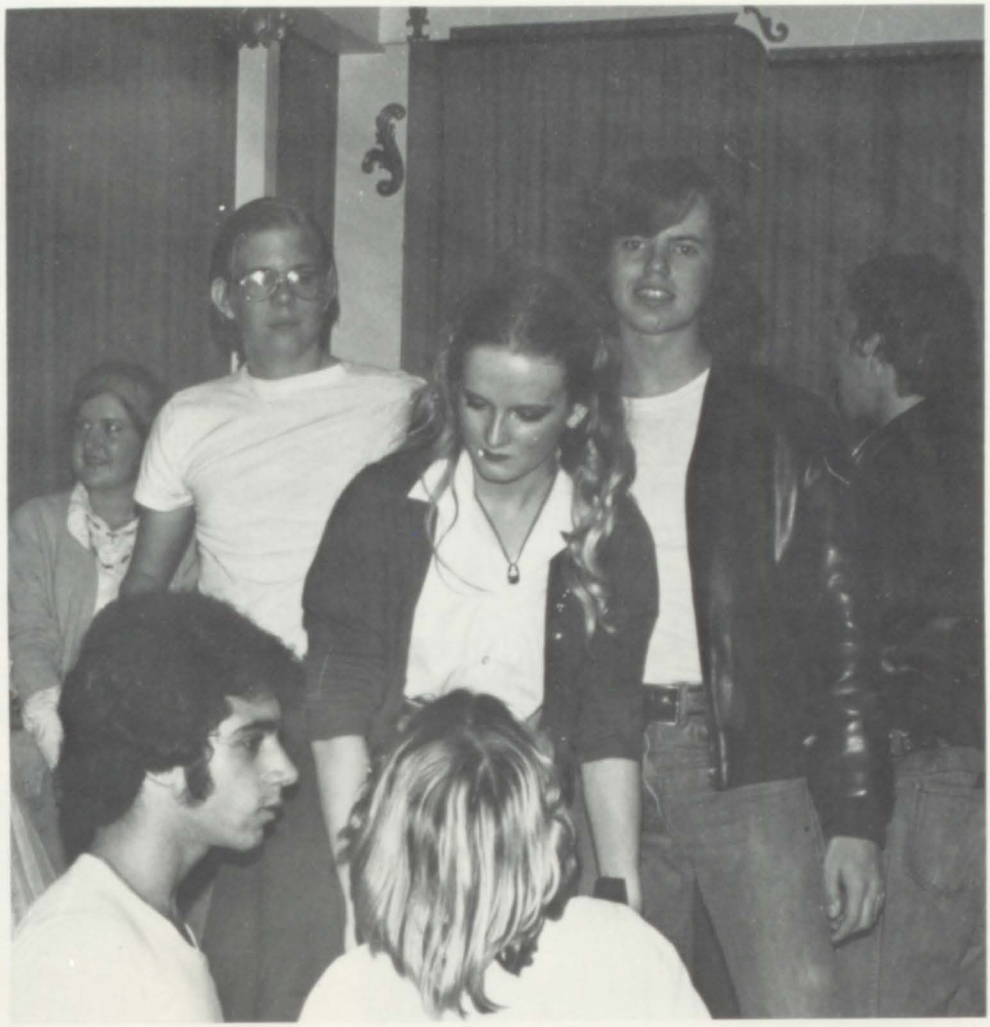

The SGA is a vital part of life at Jesuit. We are privileged to have one that is so active.

CLC Active in Community Affairs

The Sodality had very many accomplishments this year. It started the year off by hosting the southern region Christian Life Community convention in which people from all over the south attended. This brought people together and allowed them to meditate on the theme of the convention, "Who Are You?"

Many times this year the Sodality supported the Right to Life Movement which campaigns against abortion. The Sodality was represented by various members when Ronald Reagan and Mrs. Jimmy Carter came to Shreveport.

The Sodality helped with the Canned Food Drive at Christmas and with Sr. Margaret throughout the year. One of the main projects was the Poor Man's Supper. The Sodality, along with the Key Club, provided 60 to 80 people who prepared for the supper, worked during the supper, and cleaned up afterwards.

The future plans for the Sodality include the Mission Drive and the National C.L.C. Convention which is to be held this August in New Orleans.

Football Banquet

Tom Bullock, Paul Cordaro, and Gene Mack were named co-captains at the year's annual football banquet. The master of ceremonies for the event was Dad's Club president Dr. Donald Mack.

Cordaro was named outstanding player of the year and Mack and Greg Page shared the outstanding defensive player award. Tom Bullock and Mike Watts received special coaches' awards with the scholastic awards going to Tom Bordelon, Dick Haney, and Scott Pendleton. Kicker Steve Scott received the team's specialist award.

Congratulations are certainly in order for all those honored at the banquet.

Style Show Successful

To keep in tune with the election year, "Snoopy for President" was chosen as the theme for the 1976 Jesuit Mothers' Club Style Show. Jesuit and members of the Mothers' Club gave a good deal of time and effort to prepare the show and make it a success.

This annual presentation is of great value to the students of Jesuit High School. By selling tickets to the show, the Mothers' Club obtains money which goes toward many of our extra-curricular activities. We are grateful for this tremendous contribution from these conscientious parents.

CONGRATULATIONS!

Class of '77

So, You've done it at last! And we're here to give three hearty cheers for all the hard work and perseverance . . . that made those diplomas possible. We're proud of you and we want you to know it. We wish you the best things life has to offer: good health, happiness, dreams come true. Now it's a new beginning.

Good luck!

"Let reverence for the laws be breathed by every American mother to the lisping babe that prattles on her lap; let it be taught in schools, in seminaries, and in colleges; let it be written in primers, spelling books, and in almanacs; let it be preached from the pulpit, proclaimed in legislative halls, and enforced in courts of justice. And, in short, let it become the political religion of the nation; and let the old and the young, the rich and the poor, the grave and the gay of all sexes and tongues and colors and conditions, sacrifice unceasingly upon its altars."

You asked me to make you something
I asked you what you wanted
"A box."
"What for?"
"To put things in."
"What things?"
"Whatever you have."
Well, here's your box. Nearly everything I have is in it
and it is not full. Pain and excitement are in it, good thoughts
and bad thoughts, the joy of design and the thrill of creation
and on top of all this is the love I have for you,
and still the box is not full.

One Bell System. It Works.

When you stop and think about your day-to-day life, you probably spend more time communicating — and being communicated with — than any other single activity.

The textbooks you read, your teachers' classroom presentations, and, for that matter, all of education is really just communications. Add to that newspapers and magazines, radio and television, your conversations with friends and the letters you write and we think you'll agree that communications is a big part of your life.

And . . . don't forget the telephone. If you're at all like most students, you probably spend at least an hour each day communicating by telephone with your friends.

Chances are, the telephones you use each day were made right here. The Shreveport Works makes over five million a year for South Central Bell and the other Bell System telephone companies. Bell Laboratories designs them. We build them. The Bell telephone companies install and keep them working. We're all part of a team — the Bell System team — working together to bring you and your friends the best telephones and telephone service.

Mr. J. Robert Welsh

The 1977 Flight is dedicated to Mr. J. Robert Welsh, an outstanding gentleman and civic leader of Shreveport.

Respected by businessmen as the far-sighted President of SWEPCO, by educators as the very involved Board member of Centenary College, by Southerners as a Yankee who has assimilated the outstanding qualities of the "Old South," by friends of Jesuit and of Catholic Education as the saviour of Jesuit High School and of the only Catholic boys high school in Shreveport.

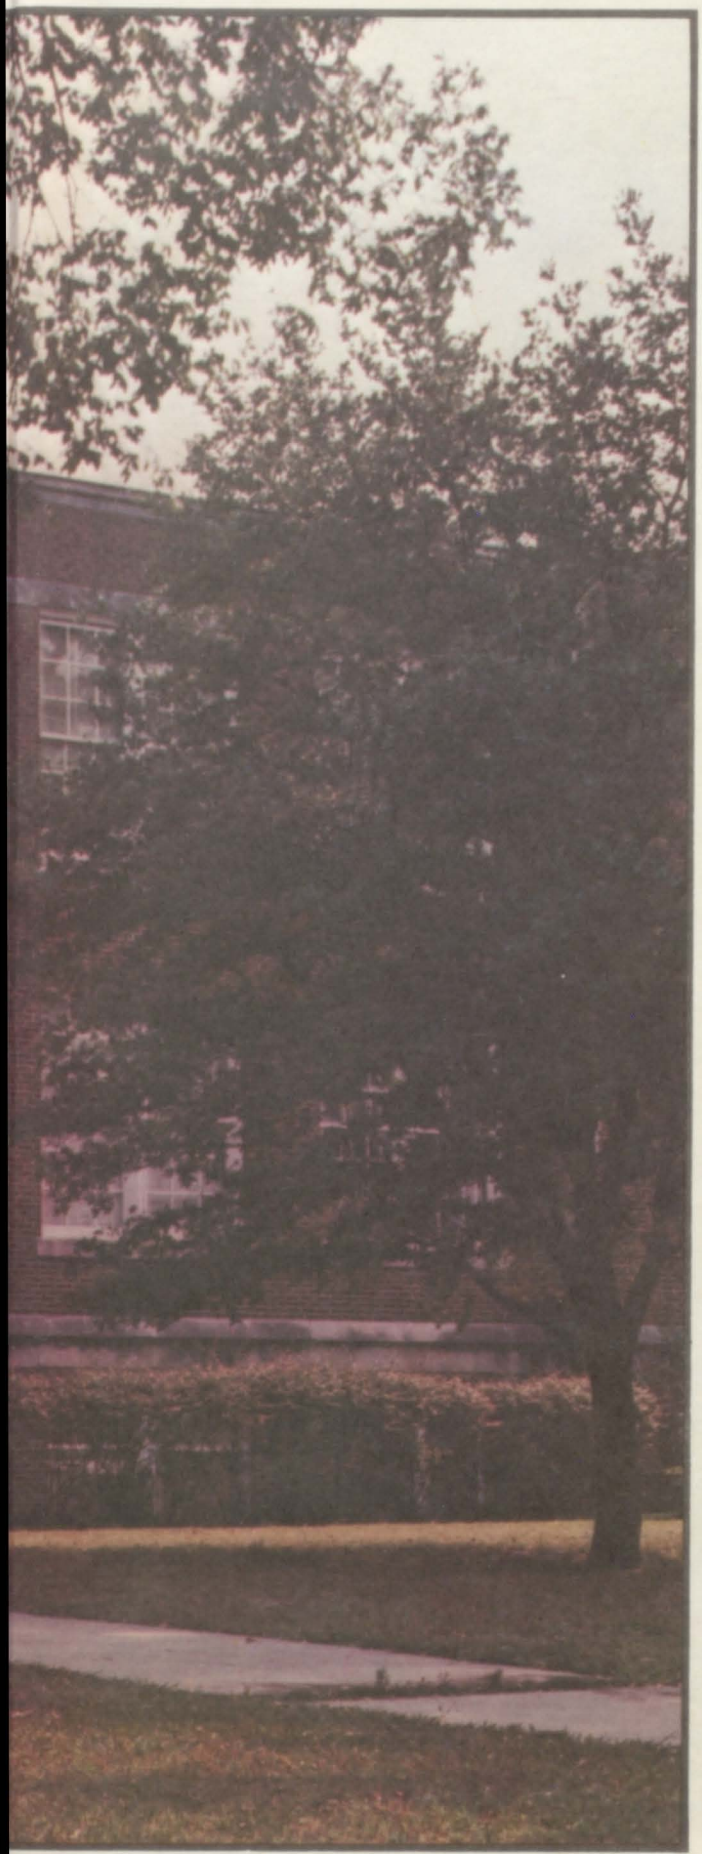

Mr. Welsh served as President of the Board of Trustees of the then newly formed Jesuit High School of Shreveport Corporation that in 1969 assumed financial responsibility for Jesuit High School and in 1972 assumed full responsibility and authority for all aspects of the school.

Mr. Welsh devoted countless hours and untiring zeal and effort to Jesuit High School. It is impossible for us students to adequately express our gratitude to Mr. Welsh for his devotion to Jesuit High School, but we hope this dedication will be accepted as a token of our deep gratitude to and respect for this outstanding Catholic gentleman whose work in our behalf will have made all of our lives a little better.
